The colours shown here have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product or a larger B&D approved paper based sample before purchasing. Please note, varying light conditions and limitations of the printing process may affect colour tones. For greater colour accuracy, B&D recommends using colour samples which are available on request. Please note: B&D Timber Coat™ and Knotwood™ contains natural colour variation consistent with that of real timber.
